

LOYAL. ● Adore Pet Food: Affordable Quality for Life!

DIET INDICATIONS

ADORE LOYAL

Designed to be a unique, simple, and affordable diet that will provide your cat with everything they need and ... nothing they don't!

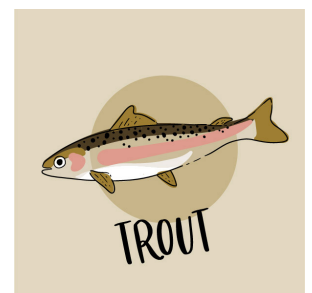

Made from trout, egg, oatmeal, and barley, ADORE LOYAL is a balanced, healthy, novel protein diet. Its unique ingredients help care for your sensitive cat. The precise amino acid blend in LOYAL will provide your cat with the building blocks for a better, stronger skin barrier. A strong skin barrier is your cat's number one defense against allergies. Generous levels of Omega 3 fatty acids (EPA & DHA) help decrease inflammation, support kidney & heart health, while helping to promote healthy skin and coat. Added prebiotics, from chicory root and yeast, feed the beneficial bacteria in your cat's gut, helping to promote a healthy digestive tract and strengthen their immune system.

PROTEIN: Trout & Egg • **SIZES:** Dry: 3KG • **MAINTENANCE** • **FELINE ADULT** • **Novel Protein**

INGREDIENTS.

Fresh trout, whole dried egg, pearled barley, oatmeal, potato protein, brown rice, canola oil, tomato pomace, natural flavour, dicalcium phosphate, calcium carbonate, potassium chloride, salt, choline chloride, sodium bisulphate, chicory root extract, yeast extract, taurine, DL-methionine, dried algae meal, vitamin E supplement, ferrous sulphate, zinc sulphate, niacin, copper sulphate, manganese sulphate, vitamin A supplement, thiamine mononitrate, calcium pantothenate, vitamin K supplement, pyridoxine hydrochloride, riboflavin, biotin, vitamin B₁₂ supplement, sodium selenite, vitamin D₃ supplement, folic acid, calcium iodate.

FEEDING GUIDELINES.

Feeding guidelines are general recommendations only. Particularly with cats, the most precise way to measure food is using a gram scale. Small differences in measuring cups can make a big difference! The tables provided should be used as a starting guide and the actual amounts fed may need to be increased or decreased based on each cat's individual energy requirement. Energy requirements will vary depending upon such factors as age, breed, gender & neuter status, and activity level. We recommend dividing the daily allowance into 2 to 4 equal portions. Ensure fresh drinking water is available at all times. Kibble colour may vary due to natural ingredients.
